2023 Family Financial Aid Application

APPLICANT

Student's name: _____
FIRST MIDDLE INITIAL LAST SUFFIX

IMPORTANT INFORMATION

Precollege Studies offers a limited number of partial scholarships that are awarded based on a family's demonstrated financial need, a student's academic achievement and promise, and the availability of funds. We operate independently of Cornell University's Office of Financial Aid.

Award amounts vary from \$1,680 to \$5,040. The balance is due immediately. If your family would not be able to cover this remaining balance, we suggest you begin discussions now with your guidance counselor and others in your community about possible sources of additional financial aid.

Scholarships are reserved for credit-bearing online summer classes.

MAILING

U.S. citizens or permanent residents:

Please return this form and the requested financial documents (with social security numbers and bank account numbers blacked out) with a copy of your parents'/guardians' filed and signed 2021 or 2022 federal income tax return and all schedules, including W-2 forms, as a PDF to precollege@cornell.edu; by fax to 607.255.6665; or by mail to Cornell University Precollege Studies, B20 Day Hall, Ithaca, NY 14853-2801. Every piece of information is important in our determination of need. If your parents/guardians do not file income taxes, we must receive a 2021 or 2022 statement detailing their sources of income.

Non-U.S. citizens:

Please return this form as a PDF to precollege@cornell.edu or by fax to 607.255.6665, together with documentation of your family's income, with proof of end-of-year earnings for 2021 or 2022 in the form of a tax return or comparable tax documentation that is required in your country of residence. Tax documents should be in English; we ask that translations of terms are provided where appropriate, and currency is converted to USD.

DEADLINES

You'll be considered for all financial aid scholarships for which you are eligible only after we have received all of your completed admissions and financial aid materials and if you've been accepted into the program. We must receive complete applications **no later than March 31**. We are sorry but we cannot accept any financial-aid applications after the deadline. Financial-aid decisions will be made no later than April 28.

Because we award aid until our funds are depleted, and funds may be depleted before the application deadline, it is to your advantage to apply as early as possible. We cannot consider applications with incomplete or unexplained items or guarantee that all eligible applicants will receive aid, even if they applied well before the financial aid application deadline.
